

Jeremy Epstein M.D.

Diplomate American Board of Anesthesiology
Fellowship Trained Interventional Pain Management

Dr. Jeremy Epstein is a compassionate, award-winning Harvard-trained Interventional Pain Management Physician. Prior to starting his pain fellowship, he completed his anesthesia residency at the prestigious Georgetown University Hospital in Washington, DC. While at Georgetown, he was honored by his peers and faculty with the highly coveted "Best Academic Performance" and "Medical Student Teacher of the Year" awards. Utilizing a comprehensive and multi-modal approach to pain management, Dr. Epstein is an expert in cutting-edge treatments including Botox, ultrasound and fluoroscopically guided therapies, radiofrequency ablation, kyphoplasty, and spinal cord stimulators.
